Basin waste with	1 1/4"	Chrome	Polished brass	White matt	Black

NB:

- \cdot Required basin support bracket for installation on wall included
- \cdot The basins have a tolerance of +1/-1 mm; we recommend that all basins are ordered 5 mm wider than the furniture setting (e.g. 1605 mm total width to suit 2 x 800 mm units).
- · If the basin is placed on a vanity unit, the centre of the basin must be aligned with the centre of the vanity unit.
- \cdot For wall-to-wall solutions we recommend 3 mm space on both sides between worktop and wall. Take care to note the diagonal measurement between the walls.
- Bespoke products cannot be cancelled or returned after the signed order form is received.
- · Please be aware that the warranty no longer applies if modifications to the construction and/or the design are carried out.
